 Walworth Recreation

Dear Parents,

We would like to extend a warm welcome to you and your family and thank you for participating in our 2015 Instructional T-Ball program. Instructional T-Ball is our introductory baseball program, familiarizing participants with the game of baseball through simple, small numbered, fun-filled drills and “games”. The program largely focuses on the basics of the game (throwing/catching, hitting, and base running) while also providing time for small “game” play.

The Instructional T-Ball season runs from the first week in May through mid-June. The program will begin on Thursday, April 30th and finish on Thursday, June 11th. All practice/game nights will be Tuesdays & Thursdays from 6:00pm – 7:15pm. Please keep in mind the following for this year’s season:

- ❖ Saturday, May 2nd: Picture Day & Walworth Recreation’s 8th Annual Opening Day Celebration (Individual and team pictures are taken in the morning, our hot dog roast and baseball festivities begin at 12:00pm).
- ❖ All practices/games will take place on the soccer fields below the Town Hall.

We would also like to remind you of the following with regards to the Instructional T-Ball program:

- ❖ If practices/games are cancelled for any reason you will receive an email from your coach and/or the Recreation Department.
- ❖ You can keep an eye on potential cancellations and up to date on the status of evening activities by checking our rec page on the town website, becoming a friend of our Facebook® page, or by calling our rain-out line at 986-1400 ext. 350 (the rainout line does not activate until 5pm).
- ❖ If you have any additional questions during the season please visit our new baseball forms page on the Town of Walworth website: www.townofwalworthny.gov/walworth-recreation-baseball-softball-documents-forms.

We thank you for your interest in Walworth Recreation. If you have any questions or concerns at any point please don’t hesitate to call or e-mail us, visit us in person, or speak with us at the fields. We wish you luck with lots of fun and learning this season!

Sincerely,

Jackie VanLare
